Upcounty Citizens Advisory Board Meeting
Monday, October 20, 2014
Upcounty Regional Services Center
12900 Middlebrook Road, Germantown

The Upcounty Citizens Advisory Board (UCAB) will discuss two transit projects in terms of their effect on the northern part of the county; the Corridor Cities Transitway (CCT) and the Rapid Transit System (aka BRT). The CCT is an integral part of the future countywide rapid transit system and will run from the Shady Grove Metro to Clarksburg. The countywide system will provide rapid transit along four corridors with one being along MD Route 355 which is also known as Frederick Road.
